

Mouth Cancer Walk, 20th September

Dr Mattias Billing from Mattias Billing Dental Office in Weybridge, and his wife will be taking part in the 10KM Mouth Cancer Walk in Hyde Park on Saturday 20th September, in support of The Mouth Cancer Foundation.

If any of you want to join them please let us know.

Free to enter, the event is about fun and raising awareness of the issues surrounding mouth cancer.

Mouth Cancer kills 1 in 2 people who are diagnosed due to late detection and has a higher fatality rate than breast cancer, cervical cancer or skin melanoma. Self-examination could make all the difference.

Your dentist also checks for any irregularities in the mouth as part of your routine examination.

For information on **self-awareness and self-examination** visit www.mouthcancerfoundation.org.
